- 2.2. Within each age group, the competition is divided into grades. Teams will be nominated into specific grades by their clubs/managers at the time of team entry. In conjunction with the Association, grading secretaries will evaluate all team entries and allocate teams to grades during the grading phase. Teams are graded based on their ability to compete in that grade.
- 2.3. If a team has qualified for finals in the previous season they must be registered in a higher grade for the following season unless they are entering in a higher age group.
- 2.4. Grades will usually range from A, B, C & D etc with the most skilled teams placed in A grade and the least skilled in the lower grades to promote competitiveness.
- 2.5. Wherever possible, grades during the grading phase will consist of eight (8) teams of similar skill level, allowing those teams to play each other.
- 2.6. Grading of junior teams within each age group will be completed by the end of the fourth round in each season. Any later re- grading must be approved by the SBA CEO.
- 2.7. Re- grading of teams, both up and down, may occur at any stage of the season prior to the season's midpoint. Whilst it is hoped that most re- grading occurs by round 4, it is recognised that re-grading may be necessary at a later time.

3. Restriction on Representative Players

- 3.1. As a part of playing for Representative Basketball it is important that all players show a commitment to the SBA domestic competition, as such all eligible junior players that play representative basketball for Sandringham Sabres must be registered with a domestic club prior to grading and play on a regular basis for that club or team in the SBA Competition. Regular commitment would be seen as playing enough games during a season to enable that player to qualify for the domestic finals of that age group.
- 3.2. Any request for variation of this rule must be applied for in writing. An "Exemption Request" form is available from the SBA website. This completed form must be returned electronically to the SBA CEO for consideration.
- 3.3. All players must continue to participate in the SBA competition until formally advised if the exemption has been approved. Players undertaking basketball at State Level or Australian Level, certain medical grounds with proper medical certificates & reports, would be some of the grounds that the exemptions would be considered. Training squads do not necessarily qualify for exemptions. These exemptions MUST be reapplied for each season, they are not based on a other competition seasons.
- 3.4. Any player that misses participation in SBA competition scheduled games whilst representing their State in National Junior Championships, or Australia on official national duties at national camps or playing for Australia shall have those games missed due to participation, included in the calculations for finals eligibility. The intentions of these restrictions are to:

 - Spread the representative players across more domestic teams
 - Make the competition more even.

3.7. The registration form will require teams to declare all players that are currently playing representative basketball, the Association they play with, Team (e.g McKinnon 14.1) and the competition division in which they play.

- Examples of representative clubs locally are: Southern Peninsula 'Sharks', Mornington 'Breakers', Casey 'Cavaliers', Frankston 'Blues', Chelsea 'Gulls', Keysborough 'Cougars', Dandenong 'Rangers', McKinnon 'Cougars', Waverley 'Falcons', Melbourne 'Tigers' and Sandringham 'Sabres'.

Example:

Sabres first team is in Vic Championship

A player is in Melbourne Tigers second team who compete in Metro 1.

Sabres second team competes in Metro 2

That player will be allocated 4 Points

A Player is in McKinnon first team who compete in Metro 2

Sabres second team competes in Metro 2

That player will be allocated 3 Points.

3.11. All junior players must first play in their natural age group. If a player chooses to play a second game in a higher age group other than their Representative Competition, their points will be halved and no more than two natural age 4 point player.

Example

A Player who is allocated 4 points competes in U14A competition wants to play in Under 16 A or B. The points allocated for that player in the U16 age group will be 2 points, but no more than two players from this U14A team can play in U16's in the same team.
