

Domestic Basketball Clubs - Message of Support

Dear SBA Community,

We wish to communicate our support for the current SBA Board and SBA Operations (including Management, Office staff, Referees and Coaches) while we progress through the current (brief) transition period at Board level.

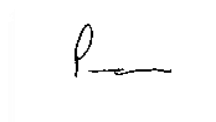

During the past 18 months, grassroots basketball has been re-engaged as a key component of the Southern Basketball Association for which we are very grateful. From our Domestic competitions through to our NBL1 teams, we have a basketball community that we are extremely proud of. We are excited about the future ahead especially with the build of the 4 new courts that is fast approaching.

We would like to take this opportunity to thank the outgoing Board members for their time and contribution over the past 18 months. We are now focused on identifying and assisting the selection of the most suitable new candidates to join our Board during these exciting times.

Your Sincerely,
