

SBA BOARD UPDATE - CASUAL VACANCIES FILLED

Dear members,

On 19 November 2019 a special resolution was passed by our members to amend the SBA Constitution to enable the existing directors to fill casual vacancies on the SBA Board. The existing directors thank the members for their ongoing unwavering support.

Consumer Affairs Victoria have now approved the amendments.

After careful consideration the Board is pleased to announce the following four people have accepted the invitation to fill existing casual vacancies. Each one of these people were previous Board nominees and have come highly recommended and supported by our members.

- Gerrik Gratz
- Phil McFarlane
- Anne-Maree Nunan
- Jason Shugg

Both Phil and Anne-Maree have stood down from their committee positions with their respective Domestic Clubs.

The date for SBA's next Annual General Meeting (AGM) will be set by the Board as soon as possible.
