

Announcement

I am pleased to announce that last night the Bayside City Council represented by Mayor Clarke Martin along with the following councillors:

Rob Grinter

Alex del Porto

Michael Heffernan

James Long

Sonia Castelli

Laurence Evans

Voted to unanimously approve the final funding component required to give the construction of the four new basketball courts at Tulip Street the green light to proceed. The project is now fully funded.

I would also like to take this opportunity to thank Mick Cummins and Damien Van Trier from Bayside City Council, the SBA Board, Life Members, our member base of over 10,000 and our Operations team for all the work that has gone towards this momentous result; a job well done.

In the coming weeks we will post further updates on the up and coming project and keep you all informed of the progress we are making to have the new courts become a reality.

A great day for the Bayside Community of basketball.

Regards

Phil McFarlane

SBA President
