

Construction of our four new basketball courts

The SBA is excited to announce that the last step before building works can commence has now been completed.

Bayside City Council appointed a building contractor to undertake the construction of our new additional four basketball courts at Tulip Street.

The Lloyd Group Pty Ltd was successful and building works are scheduled to commence in November 2021.

On behalf of the SBA Board and Management Team we would like to take this opportunity to thank the Bayside City Council for their continuous support to enable this project to become a reality.
