

COURTS 5 to 8

MARCH 2022

CEO UPDATE

Welcome to the second edition of 'Courts 5 to 8'.

The ground-breaking works for the construction of our four new courts at Tulip Street are now well and truly underway. You can see by the photos that the ground leveling is nearly complete which means it won't be too long before the building works start to appear.

Parking at Tulip Street has been reduced due to the building works, these will be in place until the construction period has been completed. It affects the rear carpark which is reflected in the top photo on this page.

It's a relief to see that our basketball competitions are continuing with no further interruptions due to Covid. Incorporating our training clinics before school, after school and on weekends, Junior domestic, Senior domestic, Sabres, Ladies daytime, All Abilities, Mixed and the NBL 1 season is not too far away.

Stay up to date with Courts 5 to 8

PRESIDENT'S REPORT

I hope everyone is enjoying their return to basketball now that our 2022 basketball programs are back in full swing. Great effort to all our domestic clubs with their mountain of volunteers that enable our Association to get so many players and teams on the courts each season. Well done! Also thank you to the SBA Operations staff for their efficient administration of what is required to be done.

Our Junior Rep program has now completed their grading phases and we are very pleased with the results. Well done to everyone. Our senior representative program gets underway shortly, so get ready to come down and support them when their seasons open next month.

At Board level we remain busy. We have completed the final 'draft' of the *SBA 2022-2024 Strategy & Vision* and as mentioned last month, we are currently socialising that with the domestic club presidents, staff and Life Members during this month. This will be finalised and published by the 31st March 2022.

Great to see the four new courts making some real progress ... plenty of dirt being turned! Before we know it, the year will fly by and we will be in our new extended home. Very exciting times ahead.

Be safe.
