TEAMS VC BOUND

The Sabres have reached a historic milestone, with 11 VJBL teams officially qualifying for VC in 2026 – the most our club has ever achieved.

This incredible result is a testament to the dedication, consistency, and high standards set across the entire program.

Head Program Director of Coaching, Simon Giovannoni, praised the achievement and the work behind it:

“To have 11 teams qualify for VC in 2026 is a super achievement for our club. It’s something we have never accomplished before.

Our coaches and players have done a power of work since we selected our teams in October last year and the results after Grading Phase 2 are a testament to their hard work.

We are all looking forward to getting the season underway and testing ourselves against the best teams in Victoria.”

From team selections in October through to the completion of Grading Phase 2, the commitment from both players and coaches has been outstanding. This milestone reflects not only talent, but a shared standard across all teams – one built on effort, discipline, and development.

With the season fast approaching, the focus now shifts to competition – and the opportunity to measure ourselves against the very best in Victoria.

The work doesn’t stop here.

Action: Round 1 Recap & Huge Weekend Ahead

Round 1 at the Sabre Dome delivered an electric start to the Big V season, with our VYC teams taking on Knox in front of an incredible home crowd. The BC Dental VYC Women came away with a dominant 99-70 win, while the VYC Men battled hard but fell short. The atmosphere was unreal, and it was amazing to see the stands packed – a huge thank you to everyone who came down to support.

We now look ahead to another big weekend of home games and would love to see that same energy again.

BC Dental Mouthguard Fittings + NBL1 Open Training a Huge Success

A big thank you to Caron and the team at BC Dental for a fantastic night at our Mouthguard Fittings and NBL1 Open Training event last Thursday.

It was great to see so many of our Sabres players take the opportunity to get fitted with custom mouthguards ahead of the 2026 season. Ensuring our athletes are protected on court is a top priority, and this was a great step in getting everyone game-ready.

With players in and out of the Court 1 change rooms, the atmosphere was buzzing as families and supporters also got a behind-the-scenes look at our NBL1 Men's and Women's teams in action during their open training session.

Overall, it was a hugely successful evening. Combining player welfare, community engagement, and plenty of excitement leading into the season tip-off.

If you missed out, custom mouthguards are still available throughout the season. We encourage all players to get in touch with BC Dental to book in and stay protected on court.

Thank you again to Caron and the team for supporting the Sabres community!
