SHOUTOUT DOMESTIC

COACH'S PREVIEW

Welcome back my Sabres family!

Pleased to share a moment of recognition of last season's championship with you all tonight, an amazing achievement that we are all very proud of and desperately want to repeat this season.

A somber day for me though. This morning we farewelled my Dad, a brilliant man who I love very much and who will be sorely missed.

An important part of the fabric of this club, who has been by my side since the moment I picked up a basketball, played my first domestic game here and pulled on the orange and blue for the first time. Never missed a game, never missed an opportunity to support me and the club and never missed an opportunity to share in the life of his family.

There's a reason why I point to my family when I score. Because they are everything to me and I am nothing without them. I celebrate with them and thank them and that will continue for as long as I play. When I point at my family, I still point to my Dad. He is still with me, in my heart and in my memory, and I still celebrate with him and thank him.

Sandringham Sabres Theme Song

Oh we're from Sabreland

A fighting fury

We're from Sabreland

In any weather you will see us with a grin

Risking head and shin

If we're behind then never mind

We'll fight and fight and win

For we're from Sabreland

We never weaken til the final siren's gone

Like the Sabre of old

We're strong and we're bold

For we're from Sabre

(Orange and Blue)

We're from Sabreland.
