

SANDRINGHAM SABRES TRYOUT IDENTIFICATION GUIDE

During Sandringham Sabres tryouts, players are given a letter and number combination to help identify them easily. Participants will receive an email with their Player ID. This will also be posted on the SBA website.

Please follow the below instructions on how to find and apply your Player ID before EACH tryout session.

STEP 1

STEP 1 Head to the Sabres Tryout Portal and click through to your Gender and Age group to find the player registration list.

STEP 2

Locate your name on the list. Your Player ID should be next to it.

STEP 3

Using a thick marker, write your Player ID on your right arm (outer bicep) and left leg (outer calf), with the letter next to the number as per the photos. If your arm is small, please put the letter on top of the number. Player ID should be written large enough to be easily legible.
