

# Sabres Pre-Trial for Domestic players:

Pre-trials are held for the age groups where historically we have had the highest number of try out participants (U12 Boys, U14 Boys, U16 Boys and U12 Girls).

These pre-trial sessions are for SBA Domestic players and for players playing domestic at other associations. The pre-trial is not for current representative players (all clubs).

The objective of the pre-trial is to ensure our coaches can see as many athletes as possible giving everyone the best opportunity to trial and be identified.

There is a \$20 one off admin fee for all new players that are trialling.

Players who are successful at the pre-trial will be invited to trial with the returning Sabres cohort, commencing Friday 2nd of October.

Players from the age groups that DO NOT have a pretrial (U14, U16 and U18 Girls Domestic and U18 Boys Domestic) are asked to still register [HERE](#). Players in these age groups will attend tryouts from Friday 3rd of October.
